Simple, humorous and heart-warming, the book will inspire and entertain martial artists of all levels.

Libraries & Academic Institutions edition of the autobiography of well-known Irish karate instructor, Seamus O'Dowd. The book chronicles his journey, over a period of thirty years, from complete novice to high-ranking and respected international instructor for Bo-Jutsu and Tai Chi. Simple, humorous and heart-warming, the book will inspire and entertain martial artists of all levels.

The oldest and most respected martial arts title in the industry, this popular monthly magazine addresses the needs of martial artists of all levels by providing them with information about every style of self-defense in the world - including techniques and strategies. In addition, Black Belt produces and markets over 75 martial arts-oriented books and videos including many about the works of Bruce Lee, the best-known marital arts figure in the world.

The oldest and most respected martial arts title in the industry, this popular monthly magazine addresses the needs of martial artists of all levels by providing them with information about every style of self-defense in the world - including techniques and strategies. In addition, Black Belt produces and markets over 75 martial arts-oriented books and videos including many about the works of Bruce Lee, the best-known marital arts figure in the world.

The story describes the journey of one man through 30 years of martial arts training. From the first karate class with a newly arrived Japanese instructor in 1971, he goes on to study with eminent martial artist of today. Among them are, Toyotaro Miyazaki, the nationally rated competitor of the 60's and 70's described by Chuck Norris as one of his toughest opponents, and Ken Ogawa one of the toughest fighters to come out of Morio Higaonna's Yoyogi dojo. The other instructors are Kiyoshi Yamazaki, trainer and choreographer for Arnold Schwarzenegger in the Conan movies and Joko Ninomiya, All Japan Kyokushin Champion and creator of the Sabaki Challenge tournament. Memorable moments depict meetings at the AAU Nationals with notables as Billy Blanks, Mr. Tae Bo, and Chuck Merriam. As a young student in the traditional Shotokan system, this narrative chronicles the transition to the eclectic modern training methods. This evolution the result of hard-earned lessons in real life encounters while working as a Miami Police Officer on the mid-night shift.

Most learn about martial arts through movies and print publications, primarily fictional. "Fiction is drama, the blood of drama is conflict, and martial arts are rooted in conflict," writes James Grady in chapter one. Good fiction uses martial arts well, while poor writing skills can be plain boring! This anthology is a collection of fifteen articles that cover the richness and depth of Asian martial arts in both movies and literature. After look over the array of topics, I decided to utilize writings by James Grady for the two introductory chapters. Grady is an internationally renowned writer and investigative journalist known for his nail-biting thriller novels. His early novel was adapted to film as Three days of the Condor (1975) starring Robert Redford. Grady has since written over a dozen wonderful novels and in between wrote two excellent pieces for the Journal of Asian Martial Arts: one dealing with movies and another with literature. The following chapters are greatly enriched by the informative contents in Grady's chapters. Details about movie-making are provided in the interview with producer Andre Morgan (Enter the Dragon, Walter Texas Ranger, Martial Law, etc.), plus the inside scoop in the publishing and film industries in the interview with multifaceted Curtis Wong, Actor/producer/kickboxing champion Don Wilson provides insights from both sides of the camera in his interview. Among the chapters are Albert Dalala's exposition of China's 'wandering martial hero' stories that have roots reaching back two thousand years; Christopher Bates' excerpt from Xiang Kairan's Tales of Chivalrous and Altruistic Heroes; and Olivia Mok's research and translations of sections of Fox Volant of the Snowy Mountain, a Louis Cha's novel of 1959. In the latter, Mok extricates references to dianxue/the methods of attacking vital points. We also have fiction focusing on Japanese and Chinese martial traditions by John Donohue, Peter Graebner, John DeRose, and John Gilbey's (aka, Robert W. Smith)ieach highlighting combative experience, theory and technique with cultural trimmings. Interviews with Barry Eisler and Author Rosenfeld give insight into scholar/practitioners whose published novels contain text colored by their knowledge of the martial arts and culture. We hope you'll find this book captivating, exciting, heroic, spellbinding, content rich, fascinating, penetrating . . .

The best-selling author of Reinventing the Corporation demonstrates how to grow wealth by integrating holistic values with sound money choices, outlining strategies for overcoming today's radical economic challenges in empowering ways that protect communities, customers and the environment. Original.

The oldest and most respected martial arts title in the industry, this popular monthly magazine addresses the needs of martial artists of all levels by providing them with information about every style of self-defense in the world - including techniques and strategies.
