Dead Famous (2001) is a comedy / whodunit novel by Ben Elton in which ratings for a reality TV show, very similar to Big Brother, rocket when a housemate is murdered. Unlike a typical whodunnit, Elton does not reveal the identity of the victim until around halfway into the book.

~~Dead Famous (novel) - Wikipedia~~

Elton uses the same format as in his later novel 'Identity Crisis', with an old-school policeman baffled and unimpressed by the modern world he is forced to confront in order to solve the mystery. He relentlessly satirises reality television and its exploitative nature. And it is genuinely, even laugh-out-loud

Ben Elton turns his dark wit to Big Brother and its spawn with his dramedy Dead Famous. The premise is as you would expect – a handful of strangers being filmed in a house 24/7 with evictions occurring on a weekly basis. The twist: somebody inside this CCTV-rigged house manages to get themselves murdered.

"Wry, fast and fiendishly clever" (The Times) One house. Ten contestants. Thirty cameras. Forty microphones. Yet again the public gorges its voyeuristic appetite as another group of unknown and unremarkable people submit themselves to the brutal exposure of the televised real-life soap opera, House Arrest. Everybody knows the rules: total strangers are forced to live together while the rest of the country watches them do it. Who will crack first? Who will have sex with whom? Who will the public love and who will they hate? All the usual questions. And then, suddenly, there are some new ones. Who is the murderer? How did he or she manage to kill under the constant gaze of the thirty television cameras? Why did they do it? And who will be next?

poppy fields of Afghanistan, we are all partners in crime. HIGH SOCIETY is a story or rather a collection of interconnected stories that takes the reader on a hilarious, heart breaking and terrifying journey through the kaleidoscope world that the law has created and from which the law offers no protection.

Chart Throb. The ultimate pop quest. Ninety five thousand hopefuls. Three judges. Just one winner. And that's Calvin Simms, the genius behind the show. Calvin always wins because Calvin writes the rules. But this year, as he sits smugly in judgement upon the mingers, clingers and blingers whom he has pre-selected in his carefully scripted 'search' for a star, he has no idea that the rules are changing. The 'real' is

about to be put back into 'reality' television and Calvin and his fellow judges (the nation's favourite mum and the other bloke) are about to become ex-factors themselves. Ben Elton, author of Popcorn and Dead Famous returns to blistering comic satire with a savagely hilarious deconstruction of the world of modern television talent shows. Chart Throb. One winner. A whole bunch of losers.

youth. Newson is not the only member of the Class of '88 who has been raking over the ashes of the past. As his old class begins to reassemble in cyberspace, the years slip away and old feuds and passions burn hot once more. Meanwhile, back in the present, Newson's life is no less complicated. He is secretly in love with Natasha, his lovely but very attached sergeant, and failing comprehensively to solve a series of baffling and peculiarly gruesome murders. A school reunion is planned and as history begins to repeat itself, the past crashes headlong into the present. Neither will ever be the same again. ___ What readers are saying: ***** 'Fun, frightful and relentlessly gripping.' ***** 'Clever and original . . . a great read' ***** 'Darkly comic, intriguing . . . and with a real twist in the tail.'

him. Ben Elton's tenth novel is a gut-wrenching historical drama which explores some fundamental questions: What is murder? What is justice in the face of unimaginable daily slaughter? And where is the honour in saving a man from the gallows if he is only to be returned to die in a suicidal battle?

For amiable City trader Jimmy Corby money was the new Rock n' Roll. His whole life was a party, adrenaline charged and cocaine fuelled. If he hadn't met Monica he would probably have ended up either dead or in rehab. But Jimmy was as lucky in love as he was at betting on dodgy derivatives, so instead of burning out, his star just burned brighter than ever. Rich, pampered and successful, Jimmy, Monica and their friends lived the dream, bringing up their

children with an army of domestic helps. But then it all came crashing down. And when the global financial crisis hit, Jimmy discovers that anyone can handle success. It's how you handle failure that really matters.

Lucy desperately wants a baby. Sam is determined to write a hit movie. The problem is that both their efforts seem to be unfruitful. And given that the average IVF cycle has about a one in five chance of going into full production, Lucy's chances of getting what she wants are considerably better than Sam's. What Sam and Lucy are about to go through is absolutely inconceivable. The question is, can their love survive? Inconceivable confirms Ben Elton as one of Britain's most significant, entertaining and provocative writers.

Ready to follow Nick Hornsby and Helen Fielding as the next big thing from Cool Britannia to hit America is Ben Elton. Already known to a wide public television audience as the funnyman behind *Blackadder*, *The Young Ones*, and *The Thin Blue Line*, Elton, author of *Popcorn*, lights up the literary sky with *Blast from the Past*. Part noir thriller, part hilarious send-up of the politics of extremism, *Blast from the Past* is the new novel from English comedy phenomenon (stand-up, playwright, television writer, and author) Ben Elton--a name soon to be known in all circles once Joel Schumacher's film of his book *Popcorn* reaches the silver screen. In the early 80s, when Polly was a seventeen-year-old ideological peace protestor and Jack was a U.S. Army captain stationed at

England's Greenham Common, the two had a secret and very unlikely affair. No two people could have had more to argue about, save that they couldn't live without each other, yet one day Jack came to the conclusion that he loved soldiering more than Polly and sacrificed their love to be a career army man. Now, sixteen years later, Polly is a lonely thirty-something social services employee and Jack is a four-star general who has returned to Britain to find her, his only true love. With only one night to resolve their differences, and a knife-wielding stalker lurking in the shadows, for everyone concerned this will be a night like no other.
