Check out this great listen on Audible.com. Once every generation comes a book so revelatory and lucid, it reconnects us to our very souls. Stephen G. Post 's God and Love on Route 80 is such a book.

Explains the links between the Bible and ancient Sumerian texts, probing the age-old question of the relationship between humanity and its creators. • Challenges scientific maxims of the basis of human life. • Draws fascinating parallels between the leaders of the Anunnaki (from the 12th planet) and Yahweh. • A comprehensive new look at the history of man. • First time available in hardcover. In Divine Encounters Zecharia Sitchin draws on basic Judeo-Christian texts to analyze the creation myths, paralleling Biblical stories to the myths of Sumer and Mesopotamia in order to show that humanity did not evolve without assistance. Sitchin daringly hypothesizes instead that Enki, one of the leaders of the Anunnaki from the 12th planet, created humanity as a "primitive worker." Furthermore, Sitchin suggests that the extraterrestrial encounters of today demonstrate the continued interest of the Anunnaki in the Earthlings they created.

**WRITE THE VISION** is an 8.5" x 11" Notebook for keeping track record of visions, revelations and divine encounters from God. It is so important for all praying men and women to document their visions. This was what God told Habakkuk to do: And the Lord answered me and said, Write the vision and engrave it so plainly upon tablets that everyone who passes may [be able to] read [it easily and quickly] as he hastens by. For the vision is yet for an appointed time and it hastens to the end [fulfillment]; it will not deceive or disappoint. Though it tarry, wait [earnestly] for it, because it will surely come; it will not be behindhand on its appointed day. (Habakkuk 2:2-3). And like Habakkuk, God is asking you to pen down every divine encounters because He will bring everyone of them to pass. This vision notebook contain encouraging scriptures and quotes that will bless you immensely.

I have written *A Path of Divine Encounters* to describe the divine experiences I had while traveling this journey of life on earth. It is written in such a way that anyone will be able to read it. In the first part of my book, I described all the dreams, visions, and experiences I had with the Most High. I shared it with you as it happened. I did not give more than I experienced, nor did I leave out any detail. This is the truth, just as it happened. The words God spoke to me, I wrote down, word for word. In the second part of the book, I did some teaching on subjects like music and pictures and how to tap into everyday experiences.

*Intimate Reading: Textual Encounters in Medieval Women's Visions and Vitae* explores the ways that women mystics sought to make their books into vehicles for the reader's spiritual transformation. Jessica Barr argues that the cognitive work of reading these texts was meant to stimulate intensely personal responses, and that the very materiality of the book can produce an intimate encounter with God. She thus explores the differences between mystics' biographies and their self-presentation, analyzing as well the complex rhetorical moves that medieval women writers employ to render their accounts more effective. This new volume is structured around five case studies. Chapters consider the biographies of 13th-century holy women from Liège, the writings of Margery Kempe, Gertrude of Helfta, Mechthild of Magdeburg, Marguerite Porete, and Julian of Norwich. At the heart of *Intimate Reading* is the question of how reading works--what it means to enter imaginatively and intellectually into the words of another. The volume showcases the complexity of medieval understandings of the work of reading, deepening our perception of the written word's capacity to signify something that lies even beyond rational comprehension.
