A parody is one thing. A GOOD parody is another. This is the latter. Consistently funny throughout, "Reid Mockery" has put together a near-perfect counterpart to Fifty Shades of Grey. It follows the plot of the original very closely, poking fun in all the right places. It also manages to poke fun at the characters and their motivations underscoring it.

The exceptions lend (some) certainty to an area of UK law which was previously murky enough to inhibit commercial activity. A recent example of the potentially stifling effect of the UK ’ s historic treatment of parody is the delayed release in the UK of 50 Shades! Having enjoyed off-Broadway success since early 2013, the UK production of the musical at the Edinburgh Fringe had reportedly been withheld until after 1 ...

of BDSM (Bards, Dragons, Sorcery, and Magick)? Or will his dark secrets and constant smirking drive her over the edge?

A wryly whimsical culinary parody of E. L. Experience the Ultimate Fifty Shades of Grey Parody! Whether you loved Fifty Shades or hated it, Fifty Shades of Plaid has something for you! Fifty Shades of Plaid is a parody of E L James's famous erotic bestseller written in the style of an old choose your own adventure story. As you explore the world of Christian Plaid you will be presented with various choices in order to advance the plot. In the course of doing so you may uncover the secrets and mysteries that the original never explains. For example: Why is this billionaire playboy so interested in this seemingly plain young woman? How did Christian become so wealthy at such a young age? What is the real foundation of his success? What secrets is he really hiding? (Hint: It has nothing to do with BDSM) Is the legendary Sasquatch of the Pacific Northwest real? (The original didn't have that in it, did it?) And much more ... Erotic, amusing, at times bizarre, Fifty Shades of Plaid is a tale that will obsess you, possess you, and stay with you forever. (Actually, that might be a bit of a reach. We do think it's worth a belly laugh or two while you're reading it in the bathroom though.) This book is intended for mature audiences.

International Bestseller! "Hilarious parody!" "It had me tingling all over!" "I dumped my husband after I read this book - thank you!!!" "Black and Blue is the new Grey!" "Ouch!!" In this hilarious parody of Fifty Shades of Grey, our heroine is Annabelle Stilletto from Jersey City, New Jersey, a Beauty School graduate who has no job and lives with her loser roommate. Her life changes suddenly when she meets her dream guy, the rich and handsome Vinnie Griso, the heir to the Vinnie's Auto Parts empire. She falls for Vinnie's seductive charms - not to mention his clear blue eyes, jet black hair, tight black pants and pointy shoes. But when Vinnie invites her for a romantic evening at his secluded mansion, she discovers the secrets that he has been hiding from the world. She is soon introduced to Vinnie's "rules" and invited into a "special" relationship with her dream guy. She is conflicted about how far to surrender, but before long gives in to her deepest desires and discovers the pleasures of domination as she becomes "fifty shades of black and blue." Hilarious, erotic and nice, not-so-clean fun, Fifty Shades of Black and Blue is the bestselling parody everyone is talking about.

A Parody of Fifty Shades of Grey. Romance. Intrigue. Domination. Control. Subservience. Clarity. Epiphany. Release. EUPHORIA. This book contains absolutely none of those things - it is literally the words "Shades of grey" repeated 50,000 times, and is a practical joke - a physical prop designed to amuse and confound people's expectations.
