Goethe's Mephistopheles (the devil) is a very complex figure, even the creator of the angels. And though he appears in opposition to God, he is a serious distortion of the Christian devil: He is portrayed as a being who invites the reader to face the multiplicity of reality. He certainly is not to be feared.

CHAPTER 1. PUTTING THE DEVIL IN HIS PLACE. A
Summary from the Book. This book is a modest attempt to put the devil in his place. When Lucifer (whose name means "light bearer") rolled the dice, gambling that he could do better by being God's enemy rather than God's friend, he set in motion a moral catastrophe that would reverberate throughout the universe.

From Genesis in the Garden of Eden to Job's book of testing, Lutzer has done a great job of unmasking the sinister aura of the devil to his role in our daily struggle to obey the Lord. What Satan wants from us - to be separated from the Lord, to be like him - is the opposite of what the Lord wants from us - to be with Him for all eternity and to be like His Son.

Job obeyed God and was rewarded for his obedience. In the end, God ' s wager with Satan actually achieved an incredible coup: He harnessed evil and turned it to good (cf. Genesis 50:20), and He transformed Job into the most effective servant of all, one who took on God ' s own redemptive character and loved his enemies. And this, in fact, is ...

How we perceive our enemy will largely determine how we fight against him. Unless we grasp how the devil fits into God's scheme of things, we will find it difficult to stand against his conspiracy against us personally and his influence within our culture. We can have a

proper theology of the devil only if we have a proper theology of God. Only when we stand in awe of God will we find it unnecessary to be in awe of Satan. As Martin Luther once said, 'The devil is God's devil.' God is still in control. The Serpent of Paradise gives an overview of the career of Satan and his interaction with the Almighty. It traces his fall from an exalted position to his demise in everlasting shame and contempt. It shows us that Satan always loses even when 'he wins.' Best of all, it confirms that we who have been translated from the kingdom of darkness into the kingdom of light are able to stand against him. Be strong in the Lord and in his mighty power. Put on the full armor of God so that you can take your stand against the devil's schemes. ~ Ephesians 6:10-11 NIV. There are many 'modern' sins ensnaring more and more people everyday. Some are blatant, but many are secret, quickly seducing the participant into behavior that separates them from God.

Popular pastor and author Erwin Lutzer exposes Satan's seven most common 'traps,' warning readers and giving them hope for liberation from these forms of bondage. Addressing greed, gambling, alcoholism, pornography, sexual freedom, pleasure, and occultism, Lutzer takes on tough and sensitive issues with great compassion and clarity.

A church that has made its peace with the world can no longer affect it! As 21st century Christians, we have settled down to a complacent form of faith that demands very little of us, and thus makes very little impact on the world. When secular values infiltrate the church, we accept them without a twinge of conscience and congratulate ourselves on our tolerance. We believe that we no longer have the right to challenge secular trends and decisions, in or out of the church. Erwin Lutzer looks at today's world, and confronts us with our responsibility, as believers in the church of Jesus Christ, to again be a force for what is right...not easy.

The story of Nazi Germany is one of conflict between two saviors and two crosses. “ Deine Reich komme, ” Hitler prayed publicly— “ Thy Kingdom come. ” But to whose kingdom was he referring? When Germany truly needed a savior, Adolf Hitler falsely assumed the role. He directed his countrymen to a cross, but he bent and hammered the true cross into a horrific substitute: a swastika. Where was the church through all of this? With a few exceptions, the German church looked away while Hitler inflicted his “ Final Solution ” upon the Jews. Hitler ’ s Cross is a chilling historical account of what happens when evil meets a silent, shrinking church, and an intriguing and convicting expos é of modern America ’ s own hidden crosses. Erwin W. Lutzer extracts a number of lessons from this dark chapter in world history, such as:

The dangers of confusing church and state The role of God in human tragedy The parameters of Satan's freedom Hitler's Cross is the story of a nation whose church forgot its call and discovered its failure way too late. It is a cautionary tale for every church and Christian to remember who the true King is.

The redemptive story of one man's agonizing journey from the depths of Satanism to a radical new life in Christ. A life of difficulty and disappointment set 33-three year old Michael Leehan up for the worst decision of his life—to make a deal with the Devil to follow and serve him. Practicing the dark arts that include ritualistic cuttings and blood sacrifices, while fine tuning his manipulation and control skills, Michael launched into a twenty year downward spiral that included job loss and detachment from loved ones, and even

jail time. But God had another plan that included a group of Christian men to love him and pray for him—even when it became evident his assignment from Satan was to kill their pastor, Craig Groeschel. The life Michael Leehan lives today is an incredible testimony of the transforming power of God's mercy and grace, but is also a wakeup call to the church to be fully aware of the spiritual war that is going on all around them, and to the ultimate battle for their souls. "I am sending you to open their eyes and turn them from darkness to light, and from the power of Satan to God, so that they may receive forgiveness of sins and a place among those who are sanctified by faith in me." Acts 26:18
