Succinct in its treatment of the fundamentals, and interwoven with contextual explanation and analytical consideration of the key debates, Honeyball and Bowers' Textbook on Employment Law continues to provide readers with an accessible account of the subject. Including chapter introductions and new end-of-chapter summaries, students of employment law are guided through the intricacies, while further reading suggestions assist with independent research and essay preparation. The critical elements of individual and collective employment law are considered along with treatment of the relationship between UK and EU law, to give readers a wider view of the issues.

The 13th edition of this popular textbook continues to provide a concise and user-friendly account of the essentials of employment law while offering critical and contextual insights into the debates shaping this fast-paced area of law. An extremely clear writing style allows the text to remain accessible and student-focused, while providing detailed explanations and analysis of the law. The text also includes diagrams and chapter summaries throughout to aid student understanding, while further reading suggestions assist with essay preparation and research. Setting the subject in context, Honeyball & Bowers' Textbook on Employment Law considers both individual and collective issues as well as examining the increasing role of the EU in UK employment law. A separate chapter on human rights also enables students to understand the role human rights legislation plays in the development of employment law.

"Honeyball and Bowers' Textbook on Employment Law is a concise yet analytical and contextual introduction to this fascinating area of the law. Accessible by virtue of its succinct style and clear layout, yet challenging and critical, the eleventh edition of this book is suitable for students on law and business degree courses, as well as anyone else engaged in the study of employment law. Beginning with a historical perspective and explanation of how and why the law has developed as it has, Simon Honeyball goes on to explore what the law actually is, and the practical and theoretical issues raised by its study and application. The book contains cross referencing to Cases and Materials on Employment Law by Painter & Holmes ensuring that these two titles continue to complement one another providing the perfect blend of textbook analysis and the most up-to-date cases and materials. Online Resource Centre This book is accompanied by an Online Resource Centre containing weblinks and author podcasts helping to keep track of developments post publication"--Provided by publisher.

Textbook on Labour Law explores both the practical aspects of labour law and the theoretical issues and also considers future developments in this fast moving area of law. Covering all essential areas of employment and labour law, this text is the ideal resource for students studying law degrees.

Great Debates in Law is an evolving series of engaging and thoughtful introductions to more the advanced concepts, written by authors who are amongst the foremost thinkers in their field. The series focuses on the key tensions and questions underlying a subject, setting legal developments in their philosophical and cultural context and exploring the issues as matters of current debate. Going beyond what is covered in the main textbooks, the series provides a cutting edge for students who are looking to gain additional insights with which to excel.

The fifth edition of this work has been updated to take account of proposed changes in labour law by the Blair Government. The book also includes new case law, especially in the area of discrimination, transfer of undertakings and unfair dismissal.

Employment Law 4e is the most complete and accessible introduction to the subject, suitable for students from a variety of backgrounds including HRM and

business management. The expert author team combine a wealth of knowledge in teaching, examining, and practising employment law to ensure the reader has a firm understanding of legal principles, in both an academic and professional context. Case exhibits in every chapter illustrate employment law in action, whilst activities test the reader's understanding of the law and its application in the real-world. Together, they enable students to effectively develop their knowledge of current legislation and maximize their learning. In addition, a dedicated chapter on preparing and presenting a case gives the reader a unique opportunity to demonstrate their understanding using a fictional scenario, through which they can gain a greater insight into the challenges faced by those required to prepare and deliver a case before an employment tribunal. As a result, Employment Law 4e is an essential textbook for students seeking to develop their academic and professional skills, as well as foster their understanding of a subject that directly affects business managers and their employees. Online Resource Centre This book is supported by an integrated Online Resource Centre. For students: - Test your understanding and receive instant feedback with our range of multiple choice questions. - Source relevant and reliable further reading using our publications briefing resource. - Keep informed of changes to the law with our regular updates from the authors. For registered lecturers: - Access additional case studies and questions to support your teaching.

A complete reference resource for students of employment law. Well established as the most regularly updated casebook on the market, it offers a wide range of case law and statutes along with plenty of non-statutory material, providing students with a thorough grounding in the subject.

This textbook provides an introduction to and analysis of the major theories and controversies of jurisprudence. Starting with an overview of the nature of jurisprudence, then moving on to examine the theories and main protagonists in more detail, it is an ideal text for undergraduate students studying the subject for the first time.

Now in its fourteenth edition, Selwyn's Law of Employment is the most reliable and definitive guide to employment law on the market. Practitioners and students of employment law, those studying professional courses in business and human resource management, and anyone involved in giving employment law advice in the course of their work, will find all they need in this best-selling textbook. It provides full coverage of the law regulating the individual employment relationship as well as collective labour law. Each chapter has been thoroughly revised to include treatment of the latest legislative provisions and the widest coverage of case law from United Kingdom and European Courts. Written by a former university lecturer with over 40 years' experience of writing on the subject, this is the perfect working text for those who require a clear understanding of employment law. Online Resource Centre The text is supported by a Online Resource Centre containing twice yearly updates to important cases and legislation.
