"A rich and exuberant kaleidoscopic portrait of a great, messy, noisy, daunting, inspiring, maddening, enthralling, constantly shifting Rorschach test of a place. . . . Delightful. . . . In Taylor's patient and sympathetic hands, regular people become poets, philosophers, orators." -- New York Times Book Review

Londoners is a fresh and compulsively readable view of one of the world's most fascinating cities—a vibrant narrative portrait of the London of our own time, featuring unforgettable stories told by the real people who make the city hum. Acclaimed writer and editor Craig Taylor has spent years traversing every corner of the city, getting to know the most interesting Londoners, including the voice of the

London Underground, a West End rickshaw driver, an East End nightclub doorman, a mounted soldier of the Queen's Life Guard at Buckingham Palace, and a couple who fell in love at the Tower of London—and now live there. With candor and humor, this diverse cast—rich and poor, old and young, native and immigrant, men and women (and even a Sarah who used to be a George)—shares indelible tales that capture the city as never before. Together, these voices paint a vivid, epic, and wholly original portrait of twenty-first-century London in all its breadth, from Notting Hill to Brixton, from Piccadilly Circus to Canary Wharf, from an airliner flying into London Heathrow Airport to Big Ben and Tower Bridge, and down to the

Winner of the 2021 Brooklyn Public Library Literary Prize A symphony of contemporary New York through the magnificent words of its people—from the best-selling author of *Londoners*. In the first twenty years of the twenty-first century, New York City has been convulsed by terrorist attack, blackout, hurricane, recession, social injustice, and pandemic. New Yorkers weaves the voices of some of the city's best talkers into an indelible portrait of New York in our time—and a powerful hymn to the vitality and resilience of its people. Taylor has been hailed as “a peerless journalist and a beautiful craftsman” (David Rakoff), acclaimed for the way he “fuses the mundane truth of conversation with the higher truth of art” (Michel Faber). In the wake of his celebrated book *Londoners*, Taylor moved to New York and spent years meeting regularly with hundreds of New Yorkers as diverse as the city itself. *New Yorkers* features 75 of the most remarkable of them, their fascinating true tales arranged in thematic sections that follow Taylor’s growing engagement with the city. Here are the uncelebrated people who propel New York each day—bodega cashier, hospital nurse, elevator repairman, emergency dispatcher. Here are those who wire the lights at the top of the Empire

State Building, clean the windows of Rockefeller Center, and keep the subway running. Here are people whose experiences reflect the city's fractured realities: the mother of a Latino teenager jailed at Rikers, a BLM activist in the wake of police shootings. And here are those who capture the ineffable feeling of New York, such as a balloon handler in the Macy's Thanksgiving Day Parade or a security guard at the Statue of Liberty. Vibrant and bursting with life, *New Yorkers* explores the nonstop hustle to make it; the pressures on new immigrants, people of color, and the poor; the constant battle between loving the city and wanting to leave it; and the question of who gets to be considered a "New Yorker." It captures the

A Wonder Woman and bride-to-be finds herself worse for wear at the end of a hen night; a funeral director's love of Manchester United proves unhelpful when talking to the bereaved; two overly-vigilant mothers wrestle with their paranoia in the queue for Santa's Grotto; a widow recounts her disastrous return to the world of dating and a father realises that his son is growing away from him as he helps him tie his football boots. In these snippets of overheard conversations from across the length and breadth of the country, Craig Taylor captures the state we're in with humour and pathos and perfect timing. Laugh-out-loud funny, and sometimes heartbreakingly

What if your roommate is your soul mate? A joyful, quirky romantic comedy, Beth O'Leary's *The Flatshare* is a feel-good novel about finding love in the most unexpected of ways. Tiffy and Leon share an apartment. Tiffy and Leon have never met. After a bad breakup, Tiffy Moore needs a place to live. Fast. And cheap. But the apartments in her budget have her wondering if astonishingly colored mold on the walls counts as art. Desperation makes her open minded, so she answers an ad for a flatshare. Leon, a

night shift worker, will take the apartment during the day, and Tiffy can have it nights and weekends. He'll only ever be there when she's at the office. In fact, they'll never even have to meet. Tiffy and Leon start writing each other notes – first about what day is garbage day, and politely establishing what leftovers are up for grabs, and the evergreen question of whether the toilet seat should stay up or down. Even though they are opposites, they soon become friends. And then maybe more. But falling in love with your roommate is probably a terrible idea...especially if you've never met.

'Zeppelin Nights is social history at its best... White creates a vivid picture of a city changed forever by war' The Times 2018 marks the centenary of the end of the First World War. In those four decisive years, London was irrevocably changed. Soldiers passed through the capital on their way to the front and wounded men were brought back to be treated in London's hospitals. At night, London plunged into darkness for fear of Zeppelins that raided the city. Meanwhile, women escaped the drudgery of domestic

Self-appointed moral guardians seize the chance to clamp down on drink, frivolous entertainment and licentious behaviour. Even against a war-torn landscape, Londoners were determined to get on with their lives, firmly resolved not to let Germans or puritans spoil their enjoyment. Peopled with patriots and pacifists, clergymen and thieves, bluestockings and prostitutes, Jerry White's magnificent panorama reveals a battle-scarred yet dynamic, flourishing city.
