developments tend to snowball, Kevin began skateboarding and taking photographs for the first time in 2005. His first taste of living abroad came in 2006 when he left to study in New Zealand for one year. It was on the return home - skating down a backstreet in Vienna - that Kevin took his first prototype photo for what was to become The Rolling Exhibition. Kevin currently lives in Bozeman, Montana as a photographer and professional skier. For more information on Kevin's other endeavors, please navigate to www.kevinmichaelconnolly.com

This detailed guide provides deeper instruction into the meanings of tarot. Included are hands-on exercises and techniques.

A descriptive guide written in an easy-to-read format that will make discovering, exploring and learning about the tarot interesting and informative. Styled to represent the vast majority of tarot decks available on the market, it covers the history of the cards, how the Higher Arcana and four lower suits of the deck blend and fit together in a reading. It teaches a level of competence enabling the tarot to be read proficiently, providing a progression of simple card layouts that will help the reader's ability and understanding to build in sensible increments until they can work with a full eleven card spread to give a more knowing and flowing reading.

Tap into your "sixth sense" and become a better, more confident tarot reader. Most all tarot books present card-by-card interpretations as well as an instruction on how to read spreads. This book takes the next logical step inward by presenting the art of reading in a workbook format, and helps you learn to interpret the cards intuitively. The book falls into two parts. The first part concerns learning about the cards, and includes exercises for each card that teaches you to trust your interpretation of the card. The second part helps you develop that ability, a skill that Reed calls "intuition." All the exercises, stories, card meanings, and techniques really serve one purpose: to go beyond learning Tarot to living it. It's not enough to memorize the meanings of the cards, and you can't do a reading with a workbook at your side forever. In order to deliver a meaningful, accurate tarot reading, you need to hone your intuition. Without a comfortable connection to your sixth sense, the tarot readings lack finesse and becomes nothing more than cookie-cutter interpretations. When you're fluent in your intuition, you can develop better readings and unique interpretations for each person. In this book, Reed teaches by example. She presents the basics of intuitive tarot reading—reading without any questions, any backstory, anything to go on. This book is filled with exercises to hone your intuition and sharpen your interpretation skills.

An excellent introductory course that demystifies the ancient art of tarot reading. With equal appeal for both the beginner and the more experienced student, this complete guide gives you all the training you need to start accessing the ancient wisdom of the tarot.

Tarot Plain and Simple by Anthony Louis is the book you've been waiting for! As the title indicates, this book presents the Tarot in clear language that anyone can understand. If you've had trouble learning the Tarot, this book gives the meaning of

Download Ebook Tarot 101 Mastering The Art Of Reading Cards Kim Huggens

each and every one of the 78 Tarot cards—both in simple terms and in-depth ones, both upright interpretations and those for when a card is drawn reversed. Illustrations are from the elegant and mystic Robin Wood Tarot. This book leaves nothing out! It includes an overview of the history of the Tarot and suggests why this divinatory method works from a scientific point of view. It even includes several spreads and example readings. That way you can see exactly how the Tarot works, how the cards play off of each other and how to give a reading. Turn to any page and see how you can learn meanings and interpretations. The Five of Cups shows a cloaked person with head down and three of five cups knocked over, spilling their contents. Upright the card means "mourning." But the key words and phrases give you so much more. It can also mean regret, sadness, loss of trust, an emotional letdown, betrayal in love, and much more. How can you tell which expression best fits the card? It depends upon where it falls in the spread and the cards that surround or lead up to it. This is explained in the clear but comprehensive section on Tarot card spreads, and is illustrated in the sample readings. If you have been waiting for an ideal book to help you learn the Tarot, this is it. The longer you wait, the longer it will be before you can give effective Tarot readings. Get out that Tarot deck and get this book today!

Explore the myths, legends, and folklore found in Tarot cards, as well as descriptions of how to use and read the cards. Each card's symbolism and mythology is explained in depth, referencing original sources of the legends so that you can discover more yourself. Several original Tarot spreads are included for use with The God Tarot, inspired by the deck itself and the many mythologies and Gods explored in its cards. Includes: - 78 original and colorful tarot cards - Special instructive manual providing interpretations and symbolism, including myths and divine aspects, and 10 revealing layouts for successful tarot spreads.

Five Astonishing Tarot Readings for Untangling Life's Messiest Problems From Melissa Cynova, author of the bestselling book Kitchen Table Tarot Author Melissa Cynova noticed that clients often turn up for readings with extremely complicated problems. She developed the five readings in Tarot Elements as a program for hitting the reset button on life. Whether you're reading for yourself or for others, this book can help you work with any tarot deck to clarify complex issues, unstick the stuck parts, and move forward to a better place. The five elements are powerful factors in assessing which areas of life need the most attention. Tarot Elements shows you how to use the elemental structure that shapes tarot to focus on one aspect of a problem at a time and resolve the tangled issues that are holding you back. The earth reading is about home. Air is about mind, fire is about body, water is about heart, and the spirit reading is about your soul and your spiritual practice. With hands-on exercises, sample readings, and fascinating insights, this book invites you to pick up your cards and begin the process of transformation.

A tarot reading is a quest for answers to your greatest questions, deepest desires, and most profound needs. The power of tarot lies in the questions, and now you can discern answers to those questions with fascinating and magical results 365 days a year. Explore a tarot quest on any topic with extensive spread categories, including: Love and Romance Money and
