Updated in its 12th edition, Texas Government introduces the essentials of Texas government and its often colorful politics in a way that any reader can understand. With an emphasis on public policy and active learning, this popular and highly accessible text contains an abundance of useful study aids and exercises in every chapter and a lively, straightforward writing style.

With an emphasis on policy and active learning, Texas Government: Policy and Politics is a popular and accessible text that is sure to engage students in Texas politics. Known for its exceptionally accessible and comprehensive coverage of the major aspects of Texas government and politics, this text is a complete teaching and learning package for students with little or no background in political science or Texas politics. It employs an emphasis on policy throughout the book, helping to make material relevant to students' lives. The author is known for his ability to provide statistical detail in an extremely lucid, non-intimidating way and his often humorous, insightful critique of Texas government. The seventh edition is thoroughly updated to include new information on topics such as controversy on school funding, campaign finance from the 2000 election, an overview of the 2002 elections, and so much more. At only 13 chapters, Tannahill's text is perfect for a 15-week semester, giving instructors and students no more and no less than they need for the average semester.

Known for the extremely student-friendly, jargon-free style of the two books from which it was made, the new American and Texas Government: Policy and Politics introduces the essentials of American and Texas government in a way that any student can understand. Neal Tannahill's American Government and Texas Government are offered together in one comprehensive and accessible text. This new version features the same public policy emphasis that shows students the impact that government has on their lives, and offers the wealth of useful study aids and exercises to engage students in the course material and encourage them to become active participants in their government. This new edition is published as a Longman Study Edition and therefore contains a battery of chapter tests for student study and practice. It also offers the latest coverage of issues in both American and Texas government, including the results of the 2008 elections, immigration reform, and the challenge posed by nuclear programs in Iran and North Korea.

With an emphasis on public policy and active learning, this popular and highly accessible text introduces the essentials of Texas government and its often colorful politics in a way that any reader can understand. An abundance of useful study aids and exercises in every chapter and a lively, straightforward writing style makes the material accessible to readers of every level. Showing them the impact that government has on their lives, this insightful and sometimes humorous critique of Texas government engages readers in the material and encourages them to become active participants in their government. The ninth edition is published as a " Longman Study Edition " and therefore contains a battery of practice chapter tests for self study and review.

With an emphasis on policy and active learning, Texas Government: Policy and Politics is a popular and accessible text that is sure to engage students in Texas politics. Known for its exceptionally accessible and comprehensive coverage of the major aspects of Texas government and politics, this text is a complete teaching and learning package for students with little or no background in political science or Texas politics.
