Discover the history and personal stories of 45 US Presidents in this beautifully illustrated volume. From the first president, George Washington, to the forty-fifth, Donald Trump, the United States has seen a host of extraordinary men take office. Their stories are all included in this fourth edition of *The Complete Book of US Presidents* by journalist and historian Bill Yenne. This book features short, biographical essays about the lives of 45 presidents, jam-packed with unusual details and commentary on the significant roles each commander-in-chief played in the shaping of the United States and its relations with the world. Lavishly illustrated, including each president's official White House portrait, sidebars about each and every vice president and First Lady, and intriguing anecdotes, this book is accessible to a broad audience and will captivate any history lover. *The Complete Book of US Presidents: Fourth Edition* is an expansive collection that reflects on America's rich presidential history, telling the story of a nation through the biographies of some of its greatest political leaders.

Did George Washington really cut down his father's cherry tree? Who was the last president to have facial hair? Which U.S. president had a country's capital city named after him? Which president earned the nickname, "His Accidency"? With *The Everything Kids' Presidents Book*, you'll be at the head of your class after learning about the lives, legacies, and impact that our country's 44 leaders had on the history of the United States. Filled with fun facts, trivia, and 30 puzzles, *The Everything Kids' Presidents Book* introduces you to everyone from our first president, George Washington, through George W. Bush. Learning about the people who shaped the history of our country has never been so much fun!

Meet America's presidents in this trivia-packed compendium, including 2020's chosen commander-in-chief! Refresh your knowledge of the leaders who took our nation's highest office with this easy-to-read, fact-filled book of mini biographies on everyone from George Washington to Donald Trump, and catch up on all the biggest news from the 2020 election season. *The Scholastic Book of Presidents* will tell you:- Which president spoke the most languages?- Who was the last president to keep a full beard?- Which president has served in office the longest? Alongside photographs and lists of key events, this book covers everything you need to know about each president's major accomplishments in and out of the Oval Office. A must-read for history buffs, educators, and anyone with a budding interest in politics, past or present.

The New Big Book of U.S. Presidents is the perfect introduction for young readers to learn the lives and times of America's 45 most influential leaders. and the major political issues of each era, as well as through detailed timelines and historical photographs and illustrations throughout. Quick-reference sidebars provide brief summaries of the major events and important people who emerged during each presidential term. This engaging and enlightening book will be a favorite among children studying U.S. history and who crave fun facts that cannot be found in textbooks!

“One of the best books on the American presidency to appear in recent years” (The Wall Street Journal) and based on a decade of research and reporting—a delightful new window into the public and private lives America’s presidents as authors. Most Americans are familiar with Abraham Lincoln’s famous words in the Gettysburg Address and the Emancipation Proclamation. Yet few can name the work that helped him win the presidency: his published collection of speeches entitled *Political Debates between Hon. Abraham Lincoln and Hon. Stephen A. Douglas*. Lincoln labored in secret to get his book ready for the 1860 election, tracking down newspaper transcripts, editing them carefully for fairness, and hunting for a printer who would meet his specifications. *Political Debates* sold fifty thousand copies—the rough equivalent of half a million books in today’s market—and it reveals something about Lincoln’s presidential ambitions. But it also reveals something about his heart and mind. When voters asked about his beliefs, Lincoln liked to point them to his book. In Craig Fehrman’s “original, illuminating, and entertaining” (Jon Meacham) work of history, the story of America’s presidents and their books opens a rich new window into presidential biography. From volumes lost to history—Calvin Coolidge’s *Autobiography*, which was one of the most widely discussed titles of 1929—to ones we know and love—Barack Obama’s *Dreams from My Father*, which was very nearly never published—Fehrman unearths countless insights about the presidents through their literary works. Presidential books have made an enormous impact on American history, catapulting their authors to the national stage and even turning key elections. Beginning with Thomas Jefferson’s *Notes on the State of Virginia*, the first presidential book to influence a campaign, and John Adams’s *Autobiography*, the first score-settling presidential memoir, *Author in Chief* draws on newly uncovered information—including never-before-published letters from Andrew Jackson, John F. Kennedy, and Ronald Reagan—to cast fresh light on the private drives and self-doubts that fueled our nation’s leaders. We see Teddy Roosevelt as a vulnerable first-time author, struggling to write the book that would become a classic of American history. We see Reagan painstakingly revising *Where’s the Rest of Me?*, and Donald Trump negotiating the deal for *The Art of the Deal*, the volume that made him synonymous with business savvy. Alongside each of these authors, we also glimpse the everyday Americans who read them. “If you’re a history buff, a presidential trivia aficionado, or just a lover of American literary history, this book will transfix you, inform you, and surprise you” (The Seattle Review of Books).

The US president is the face of the United States to the rest of the world. However, he or she doesn’t have unlimited power within the country. The president has certain powers given by the Constitution, including the ability to make treaties, appoint some important government officials, and veto laws. Readers learn the many duties of the president in simple, clear language appropriate for both younger readers and older readers looking for a succinct review of the topic. Fact boxes supplement the main content with important details about checks and balances, amendments, and more that affect the presidency today.
