Most people spend their lives trying to escape some kind of cage. Rollie Peterkin left behind conventional success and stepped into one. When his college wrestling career ended in heartbreak, Rollie fell short of his dream of standing on the national podium. After graduating with an Ivy League degree, he tried to take solace in the lucrative Wall Street job offer that awaited him. He vigorously launched himself into his new career as a bond trader and grew accustomed to fancy dinners, expense accounts, late nights, and early mornings. Rollie was achieving all of his goals, but began to feel like something was missing. During a trip to Peru, a chance encounter with a legendary cage fighter would inspire him to question the well-worn path to success he had always known. Soon after, Rollie plotted his escape and ultimately left behind the life of luxury to pursue a savage dream. Along the way he faced life changing obstacles that he never could have foreseen in his wildest dreams. From yuppie Manhattanite to blood-soaked warrior in South America, The Cage traces Rollie's fight for meaning, substance, and true value.

'I'd stare at my opponent from across that cage and think, 'What the f**k are you gonna do to me? Nothing's gonna break me, you don't know where I've been.' From fighting to survive as a kid to doing combat in the world's most brutal arena, this is the remarkable story of one of the first Australian fighters to make it to the UFC. Following a childhood from hell, Soa 'The Hulk' Palelei was left homeless and headed straight for trouble. Until mixed martial arts put him on the right path in life. After making his professional fighting debut in 2002, Palelei went on to dominate on the Australian circuit. Five years later, he was signed on to compete in the revered Ultimate Fighting Championship. But the dream didn't last. He lost disastrously in 2007 and was dropped. All his supporters disappeared when he needed them most. He came back to Australia, faded into obscurity and blew out to 160 kilos. It took him four years of hustle and grind to get back to the top. Multiple championships followed as well as a three-year winning streak that saw him back competing - and claiming victory - on the world stage. Palelei's raw and powerful story is, at its heart, one about turning obstacles into opportunities and following your dreams - destroying the odds in the hope for a better life.
