Canada From Afar is the
fruit of the remarkable
flowering of obituary
writing in the London Daily
Telegraph during the past
ten years. These lively

File Type PDF The Daily Telegraph Military Obiries

portraits of Canadians are
informed, witty, sometimes
quirky, occasionally
iconoclastic. They include
royal courtiers,
politicians, businessmen,
soldiers, sailors, airmen,
scientists, explorers,

File Type PDF The Daily

novelists, artists, and even
journalists. Among the
prominent Canadians viewed
from afar are persons such
as Margaret Laurence, Joey
Smallwood, K.C. Irving,
Raymond Burr and A.J.
Casson.

File Type PDF The Daily Telegraph Military Obiries Book Three 3 Daily

Following on from the great success of the first volume, the paperback of which is still in print, the Daily Telegraph's chief obituary writer has assembled another one hundred pithy insights

File Type PDF The Daily Telegraph Military Obiries

into a plethora of
fascinating lives, all
published in the newspaper
since 2000. This second
collection bears eloquent
testimony to the gallant
qualities shown by our
soldiers. It includes such

File Type PDF The Daily Telegraph Military Obiries

Victoria Cross holders as
the Gurkha Ganju Lama and
the tank commander Pip
Gardener; Major-General
"Bala" Bredin, who refused
to wear a helmet yet won
three DSOs and two MCs; and
the Brigadier David Block,

File Type PDF The Daily Telegraph Military Obiries

the deadly accurate gunner
at Monte Cassino. But
although most of the actions
described occurred in the
Second World War, Warrant
Officer "Muscles" Strong
proved a tower of strength
to the 1917 cavalry charge

File Type PDF The Daily Telegraph Military Obiries

at Huj in the Sinai Desert;
and the doctor Major Vanessa
Lloyd-Davies dismissed the
danger of being under fire
in Bosnia in 1993 by saying
she had faced worse when
riding hard with the Quorn
Hunt in Leicestershire. As

Richard Johns.

In what Winston Churchill
called its darkest hour,

File Type PDF The Daily Telegraph Military Obiries

Britain's survival as an independent country in the summer of 1940 rested on the shoulders of a small number of young men. They came to be referred to as 'The Few', a term that was immortalised by the Prime Minister in a

File Type PDF The Daily Telegraph Military Obiries

speech to the House of
Commons in August 1940, and
which now indicates those
airmen who qualify for the
Battle of Britain Clasp to
the 1939-1945 Star. 'The Few'
helped transform the fearful
days of the summer of 1940

File Type PDF The Daily Telegraph Military Obiries

when Britain stood on the
brink of invasion. To many,
they were the heroes of the
age. Though seen as the
knights of the air, the
reality was that these young
men knew only too painfully
well that each day might be

File Type PDF The Daily Telegraph Military Obiries

their last. One moment of carelessness, one mistake, one effort too far, could prove fatal, as was so often the case. The stories of many of those who survived the Battle of Britain, and indeed the Second World War,

File Type PDF The Daily Telegraph Military Obiries

are told in this fascinating collection of obituaries of 'The Few' published in The Daily Telegraph. With some 180 or more individual biographies, the book is divided into three main sections: those who flew

File Type PDF The Daily Telegraph Military Obiries

Spitfires; the Hurricane pilots; and then the remaining aircrew, including those who served on Blenheims or Defiants, and ground personnel. Included in this compilation are the obituaries of Squadron

File Type PDF The Daily Telegraph Military Obiries

Leader Tony Bartley, a
Battle of Britain ace who
improved the safety of
Spitfires, performed
aerobatics in the film *The
First of The Few*, and
married the actress Deborah
Kerr; Air Vice-Marshal J.E.

File Type PDF The Daily Telegraph Military Obiries

'Johnnie' Johnson, the top-scoring RAF fighter pilot of the Second World War;

Squadron Leader Boleslaw

'Gandi' Drobinski, a Polish fighter pilot who fought with distinction in the Battle of Britain and ended

File Type PDF The Daily Telegraph Military Obiries

the war with a confirmed tally of seven Messerschmitt Bf 109s; and Wing Commander John Freeborn. The exploits of some of these veterans passed into legend, their names familiar. Others are less well-known, but all

File Type PDF The Daily Telegraph Military Obiries

played their part in holding
back the enemy at one of the
most crucial moments in
British history. Their
stores are told here.

From its somewhat
inauspicious early days in

File Type PDF The Daily Telegraph Military Obiries

North Africa in 1941, the Special Air Service went on to become one of the most respected and elite military formations in the world. Its activities during the Second World War, and after, have become the stuff of legend

File Type PDF The Daily Telegraph Military Obiries

and numerous books have been dedicated to the astonishing exploits of the men in its ranks.No more so is the case then for Colonel Sir David Stirling, whose obituary understandably features in this book. The creator of

File Type PDF The Daily Telegraph Military Obiries

the SAS, Stirling was nicknamed the 'Phantom Major' by the Germans for his remarkable exploits far behind their lines in the Western Desert. In the fifteen months before he was captured, he and his desert

File Type PDF The Daily Telegraph Military Obiries

raiders destroyed aircraft,
mined roads, derailed
trains, fired petrol dumps,
blew up ammunition depots,
hi-jacked lorries and killed
many times their own number.
Rommel admitted that
Stirling's men caused more

File Type PDF The Daily Telegraph Military Obiries

damage than any other
British unit of equal
strength. In 1942 the SAS was
given the status of a full
regiment. Montgomery said of
its creator: 'The boy
Stirling is quite mad.
However, in war there is a

File Type PDF The Daily Telegraph Military Obiries

place for mad people.'

Whilst Stirling was awarded a DSO in 1942 and was appointed OBE in 1946, he was once described as 'one of the most under-decorated soldiers of the Second World War'. Stirling himself

File Type PDF The Daily Telegraph Military Obiries

designed the Regiment's cap badge, which carries the world-famous motto, 'Who Dares Wins'. These words not only summed up Stirling's philosophy perfectly, but also that of many of the men who served in the

File Type PDF The Daily Telegraph Military Obiries

regiment. The individual members of the SAS have generally kept a low profile while serving with the regiment, which makes their obituaries so interesting - revealing much about the men whose actions are as

File Type PDF The Daily Telegraph Military Obiries

relevant in the dangerous
world of today as they have
been throughout the decades
since the Second World War.
