The Layman's Guide To Towing In The UK. One thing that seems to cause more confusion than anything else in the camping and caravanning world is the issue of what we are legally allowed to tow, and what regulations we need to comply with, when we do. The aim of this guide is to strip away all of the jargon, to

The restoration section is of some value and the author guides the layman through restoring techniques as well as offering his own critique on what is acceptable or not. The sections on painting, soldering and repairing will be of use to a complete novice but the diagrams outlining the engine parts and names for the SE, SP and mobile engines are clumsy and poorly executed.

This 'Layman's Guide' has been written to educate, engage and entertain readers - especially those who perhaps have not read too much about WW2 before. Short, sharp chapters are written with a pace and style not normally found in history books (which, let's be honest, can be pretty tough to read sometimes!)
